

SECTION 01060 - REGULATORY REQUIREMENTS

1.0 APPLICABLE CODES

This Section summarizes without limitation the laws and codes by which the Work has been designed and to which the Contractor shall conform in the prosecution of the Work. The Contractor shall make available for their use at the site such copies of laws, regulations, or codes applicable to the Work as the Owner may request of him.

1.1 Laws and Regulations

As specified in Sections 00700-4.11 and 00700-4.12, and in Section 7-1.09 of the Standard Specifications.

1.2 Codes

- a. Uniform Building Code, 1994 Edition.
- b. Title 8, Industrial Relations, California Administrative Code, Chapter 4, Division of Occupational Health and Safety, Safety Orders.
- c. Title 19, Public Safety, California Administrative Code, State Fire Marshal.
- d. Codes and Standards listed in Section 16010 of these Specifications.
- e. Local Mechanical Code.
- f. Local Plumbing Code.
- g. National Fire Protection Association.
- h. National Electric Code
- i. State and Local Public Health Codes.
- j. San Joaquin Valley Unified Air Pollution Control District Regulations.

1.3 Specifications

Standard Specifications and State of California Specifications, as defined in Section 01090.

2.0 LICENSES, FEES, AND PERMITS

The Owner will pay the fee for City of Stockton issued permits specific to the Project; the Contractor will be responsible for picking up said permits at the appropriate times. For those permits and licenses generally required to work or do business as a Contractor, the Contractor shall procure the permit or license and pay all charges and fees. In all cases, the Contractor shall pay all costs for complying with special requirements of permits and shall give notice necessary and incident to the prosecution of the Work. For any permits obtained by the Owner after the Contract Bid Date, an adjustment (add or deduct) in the Contract Price, as appropriate, will be made by change order, to account for all costs incurred in complying with the requirements of the respective permit.

2.1 Contractor's License

The Contractor shall possess at the time of bid and maintain throughout the duration of the contract, a valid California Class _____ Contractor License.

2.2 Business License

The Contractor shall possess prior to the execution of the contract and maintain throughout

the duration of the contract, a valid City of Stockton business license.
