

Stockton Arts Commission March 2009

Grant Application Reminder...

The Stockton Arts Commission is soliciting applications for the City's Arts Endowment Grant Program for 2009-10. The program funds annual grants to Stockton-based arts organizations, individual artists and arts educators who present and produce arts projects in the City.

The Stockton City Council established an endowment of \$1.3 million in January 2001 for the creation of the program. It is administered by the Arts Commission. Grants are funded from interest earned on the Endowment so it remains a permanent resource for the community. \$66,950 was awarded to eleven artists/organizations for 2008-09.

Grant guidelines and application information can be downloaded at the City web site, www.stocktongov.com/arts or by email to deena.heath@ci.stockton.ca.us. For additional information, call 209-937-7488.

Annual Arts Awards Nominations

The Stockton Commission is presently seeking nominations for individuals, organizations and patrons who have made major contributions to arts and culture in the community. Categories include the STAR Award (Stockton's Top Arts Award Recognition), the Patron Award, the Volunteer Award and the Career Achievement Award. Other categories may be designated if appropriate. Recipients will be honored at a celebration on September 11, 2009.

Deadline for nominations is April 17, 2009. Criteria and nomination forms can be downloaded at www.stocktongov.com/arts or by email to deena.heath@ci.stockton.ca.us. For additional information, call 209-937-7488.
