The Mayor's Task Force on Persons With Disabilities will be holding the 4th Annual Disability Fair on Friday, September 11, 2009 at Weber Point Events Center located at 221 N. Center Street. This exciting day will provide our community with an opportunity to gain information about community resources for the disabled and family members including agency services, programs and technology. This day will also be highlighted by entertainment including music, the performing arts, and recreational activities. A special recognition of our local veterans will include the American Legion Color Guard, and a September 11th Bell Ringing Ceremony.

We are seeking your generous assistance of financial support to help produce this worthwhile community fair. In acknowledgement of your contribution, your name and logo, if desired, will be displayed at the Disability Fair and in the official program. You are also welcome to staff a table to represent your company.

On behalf of the Mayor's Task Force on Persons With Disabilities and all of the citizens of our All-America City, I encourage you to participate in this event. If you have any questions, please call Julie LaLonde at (209) 937-8499 or you can e-mail us at Mayor@ci.stockton.ca.us.

Please choose from the following sponsorship levels (Table donations are included):
