Workshop held at the SJ RTD Downtown  
Transit Center (DTC)

**The City of Stockton  
needs your input!**

In May 2008, Stockton's City Council adopted an urgency ordinance placing a moratorium on the approval and issuance of demolition or relocation permits of buildings that are at least 50 years old. The City would like your feedback at this public community workshop to assist in creating a permanent ordinance, and to gather information on public concerns about historic preservation in Stockton.

**WEDNESDAY 12/10/08**  
6:00 PM AT SAN JOAQUIN RTD DTC  
421 E. Weber Ave.
