Resolution No. 97-0484

STOCKTON CITY COUNCIL

RESOLUTION REQUESTING THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM TO EXTEND THE FUNDING PERIOD FOR CURRENT SERVICE ACTUARIAL LIABILITIES FOR THE CITY OF STOCKTON

WHEREAS, the City of Stockton is a contracting agency of the California Public Employees' Retirement System; and

WHEREAS, due to the adoption of the latest Memoranda of Understanding for public safety employees covered by the California Public Employees' Retirement System, the additional benefits provided in those Memoranda have required additional expenditures from the City's general fund which would impact the ability to continue current service levels unless the unfunded liability is prorated over a period of time consistent with other bargaining groups, and the City of Stockton has been advised by the Actuarial and Employer Services Division of the California Public Employees' Retirement System that the governing body may request an extension of the funding period for the safety plan for current service actuarial liabilities to June 30, 2016; and

WHEREAS, the unfunded liability as of June 30, 1997, is Four Million Seven Hundred Sixty Thousand Six Hundred Nine Dollars ($4,760,609); now, therefore,

BE IT RESOLVED THAT THE GOVERNING BODY OF THE CITY OF STOCKTON does request an extension of the funding period for the safety plan for current service actuarial liabilities to June 30, 2016, and further resolves to direct the City Clerk of the City of Stockton to forward a certified copy of this resolution to the California Public Employees' Retirement System.

Re: Funding Extension Approval for the Safety Plan

Dear Mr. Bist:

This is to inform you that your request to extend the funding horizon for the Safety Plan from 2000 to 2016 has been approved. The funding extension will be effective with the payroll period beginning February 1, 1998. The new employer rate information is based on the 6/30/95 Unfunded Liability of $651,988 and estimated payroll of $32,604,820.

Legislation repealed and replaced said Section with Government Code Section 20305 effective July 1, 1994.

6. Assets heretofore accumulated with respect to fire and police members in the local retirement system have been transferred to the Public Employees' Retirement System and applied against the liability for prior service incurred thereunder. 7. Public Agency and the Stockton Redevelopment Agency have agreed to a merger of their contracts, and this contract shall be a continuation of the benefits of the contract of the Stockton Redevelopment Agency, pursuant to Section 20567.6 of the Government Code. Such merger is effective as of July 1, 1975. Public Agency, by this contract, assumes the assets and liabilities accumulated under the former contract of the Stockton Redevelopment Agency. Legislation repealed said Section effective January 1, 1988.

a. Service performed for the former agency prior to July 1, 1975 shall be subject to the terms and conditions of the former agency's contract as it was in effect at that time. Service performed after July 1, 1975 shall be subject to the terms and conditions of this contract. For purposes of computing retirement allowances, separate calculations shall be made for service performed under each contract.
8. The percentage of final compensation to be provided for local miscellaneous members for each year of credited prior and current service shall be determined in accordance with Section 21354 of said Retirement Law, subject to the reduction provided therein for service on and after January 1, 1956, the effective date of Social Security coverage, and prior to June 30, 1978, termination of Social Security, for members whose service has been included in Federal Social Security (2% at age 55 Full and Modified).

11. Public Agency, in accordance with Government Code Section 20790, ceased to be an "employer" for purposes of Section 20834 effective on January 1, 1975. Accumulated contributions of Public Agency shall be fixed and determined as provided in Government Code Section 20834, and accumulated contributions thereafter shall be held by the Board as provided in Government Code Section 20834.

12. Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members and local safety members of said Retirement System.

13. Public Agency shall also contribute to said Retirement System as follows:
