The Community

Stockton is the 13th largest city in California with a diverse population exceeding 320,000. In addition to receiving All-America City status in 1999, 2004, 2015, 2017, and 2018, Stockton was recently named by U.S. News and World Report as the 12th best place to live in California. Truth in Accounting ranked Stockton as the 4th most fiscally healthy large city in the country in 2021. For additional information about our community, please visit www.VisitStockton.org.

Our waterfront location makes Stockton a popular destination for recreation and entertainment, with miles of waterways for water skiing, boating, fishing, and other water activities. With a year-round climate that welcomes outdoor activities, residents and visitors have an opportunity to enjoy the City’s 66 neighborhood and regional parks and amenities.

Downtown, the historic Bob Hope (Fox) Theatre hosts live performances, the waterfront Stockton Arena is home to Calgary Flames professional ice hockey affiliate, the Stockton Heat, and Banner Island Ballpark is home to the Stockton Ports, a single-A, minor league baseball team.

Four school districts offer K-12 educational opportunities within the community. Parents and students can also choose from a variety of private and charter schools. Higher education options include the University of the Pacific, California State University, Stanislaus (Stockton Campus), San Joaquin Delta Community College, Humphreys College and School of Law, as well as a variety of other private and vocational schools. With its central location, unique neighborhoods and housing options, and emerging economy, Stockton has become one of the premier communities in the San Joaquin Valley and a very desirable place to live, work and raise a family.

The Position

This is an at-will position in which incumbents are responsible for municipal accounting procedures and records in the areas of accounts payable, revenue, general ledger, accounting for grant programs, encumbrances, expenditures, appropriations, managing the month-end and fiscal year-end processes, managing the annual audit, general debt obligations, revenue bond and sale/lease financial records. The incumbent performs accounting and analysis work of a complex nature to ensure accurate reporting of the City’s financial position and assess and resolve financial and accounting procedural problems, in addition to supervising professional accounting and related support staff. This position represents the City in professional accounting services and reporting to departments, auditors, federal, state and local agencies, as well as the public.

Ideal Candidate

The ideal candidate is a proven leader of professional accounting staff in the delivery of accurate and timely financial activities. This person should possess extensive experience in implementing and administering applicable government accounting standards and pronouncements. Additionally, the candidate should be able to distill complex financial concepts into understandable terms, maintain functional aspects of a financial computer system, provide accurate financial reports, place the highest value on community needs and ethical standards, and enjoy working in a close-knit team environment. This position depends heavily on the ability to develop trusting personal relationships between department staff and community members.
