Generally, essential businesses that may remain open are defined as those people rely upon in their day-to-day life.

Essential Businesses

Essential businesses are required to comply with social distancing requirements for both employees and patrons/customers – at least 6-feet of separation between those who are not members of the same household (See Paragraph 11.f. of the [County Stay at Home Order](#)). If a business fails to comply with the social distancing requirements it is in violation of the Order and may be punished by fines of up to \$1,000.00 per day.

San Joaquin County revised the Stay at Home Order – effective April 14, 2020; amended April 24, 2020

- Provided guidelines for Real Estate/Realtors
 - In-person tours before resident has moved: by appointment, no more than two visitors from the same household at the same time, plus one Realtor present; social distancing required
- Golf Courses – Open; limited operations; over 50 rules and requirements; licensed food services may provide drive-thru and take out
- Faith-based organizations
 - Drive-in like services; outside only; vehicles 6-ft apart; only same household members in same vehicle; must stay in vehicles; no passing anything between vehicles; limit of five (5) individuals may enter buildings to facilitate presentation; social distancing is required at all times
- Guidance for arborists, landscapers and gardeners

- **Physical/social distancing is required at all times, including when receiving payment; cleaning requirements for shared equipment; only members of the same household may travel together in the same vehicle**
- **Minimum Basic Operations for non-essential businesses**
 - **With the minimum number of employees/contractors/customers on-site, business owners/operators may engage in activities that maintain and protect:**
 - value of the business inventory and facilities;
 - ensure security, safety and sanitation;
 - process payroll and employee benefits; and
 - facilitate delivery of existing inventory directly to residences and businesses.
- **Social Distancing Protocol requested for both Essential Business & during Minimum Basic Operation activities at Non-Essential Businesses**
 - ***No later than 11:59 p.m. on April 17, 2020, post, notify and enforce social distancing protocol:***
 - Post signage with social distancing guidelines at facility/building entrances;
 - Notify employees and all who enter that guidelines are enforced;
 - Place markers to facilitate 6 feet of separation;
 - Limit the number of people who can enter an any one time to ensure 6-foot distance;
 - Provide hand sanitizer, soap and water or effective disinfectant at or near the entrance;
 - Signage to include instructions not to enter the facility/building with cough or fever; and
 - No handshaking or unnecessary physical contact.

Retail – Drive-thru & delivery

Effective May 8, 2020, Governor Newsom authorized the beginning of Stage 2 reopening, allowing retail operations to offer curbside or delivery services, along with manufacturing and logistics operations that support retail businesses. Both require modifications to reduce risk and establish a safer environment for customers and employees.

On May 12, 2020, Governor Newsom announced an additional list of business openings under the beginning of Stage 2. Businesses allowed to operate under limited conditions, with modifications, include malls, strip malls and retail shopping outlets may now offer pick-up services. Like the retail openings approved on May 8, 2020, including manufacturing and logistics that support these retail services.

Also, included: childcare for those outside of the essential workforce; office-based businesses where telework is not possible; car washes, pet grooming and walking; landscape gardening; outdoor museums, open gallery spaces.
