General Rules & Regulations

The Community Services Director or authorized representative reserves the right to set rules and regulations for safe and reasonable use of parks. The City of Stockton staff shall regulate or prohibit such activity or use, which in his or her judgment is determined to be of a hazardous nature or dangerous or damaging to property or not in the best interests of the citizens of the City of Stockton.

- All sites must be restored to original condition at the end of use. The renter may be required to provide a dumpster for excessive trash. Clean up beyond normal use will be billed to the reservation contract holder based on the time it takes to return the site to the stated original condition.
- Misuse of the fields, failure to conform to field regulations, or any other Federal, State or Local law, regulation or ordinance shall result in termination of the contract.
- Contract holder may only use fields designated on contract, and only at designated times. Contract holder must carry a copy of the reservation contract during the assigned reservation. Contracts and reservations cannot be transferred, assigned, or sublet without City of Stockton approval.

Prohibited

The following are not allowed in any City of Stockton parks:

- Amplified sound in any park without a permit.
- Gambling, alcohol (not allowed at designated parks), portable lights, portable barbecues.
- Use of any chemicals on the field or turf.
- Decorations tied, stapled, etc. to plants or structures.
- Vehicles on park property beyond designated parking space. Vehicles on park property may be cited and towed.
- Advertising exhibited without written permission from Community Services Director or authorized representative.

Vendors

Vendors selling food and/or other items may be subject to an additional fee for the right to conduct sales on public property. Vendor must adhere to all State, County and City health requirements. Sales of any kind must be approved in writing by the Director of Community Services Department or authorized representative at least 5 days prior to use. The City requires a fee paid in advance.
Field Preparation & Lining
The City of Stockton Softball Complexes (Louis Park & Misty Holt-Singh) fields will be maintained routinely for consistent playability. Reservation contract holders may prepare the infields of ball diamonds as needed. Reservation contract holders may line fields with chalk or field marking paint. Burning field lines with flame or chemicals is strictly prohibited and may result in loss of further field reservation contracts.

Contract holders who prepare and line fields must supply their own chalk or paint for use. All improvements to fields will be considered a donation and will not result in a reduction of fees.

Lights
Sports and fields staff will oversee and maintain control of the field lighting. Lights are scheduled to turn on 30 minutes prior to sunset. Scheduled time of sunset is based on an average of sunsets with public safety in mind and to ensure consistency.

Field, Environmental & Weather Conditions
Field use status is monitored regularly. Depending on staff availability, the contract holder may be responsible for checking field conditions before proceeding with field use for playability and safety issues.

Factors such as the moisture content of the soil, safe use and avoidance of injury, damage to the field if played upon, environmental hazards as well as potential for inclement weather are all taken into consideration in determining the status for play. Please report unsafe field conditions immediately.

Field (wear & tear):
It is the responsibility of all the field users to protect the fields from excessive wear and tear. Additionally, users shall not use fences, bleachers, or other amenities as targets for practicing or warming up. Damage may result in additional charges and cancellation of the contract. The contract holder may be charged additional fee for damages.

Environmental & Weather Conditions
In case of active rain, all fields will be closed. Fields will be reassessed once the rain has ceased. On occasion, on a non-rainy day, the sports and fields office will determine a field to be closed based on excessive rains during the previous day(s), which have left the conditions unsafe for use.

All reservations must discontinue use immediately if unsuitable weather (torrential rain, lightning, high winds, excessive heat, or poor air quality) presents itself and may resume once conditions have improved. The contract holder or a representative will make this decision. In extreme circumstances, a City of Stockton appointed representative will render a final decision.

Disclosure
This Softball & Baseball Tournament Reservation Application is only a request for a reservation. Acceptance and approval of this application will be decided by the sports and field office. A request for reservation cannot be made without submitting a completed application and the $100.00 application fee. Upon signing the application form, the applicant has an obligation to provide all required fees and documentation as set forth by the City of Stockton (i.e. Insurance requirements, payment, etc.).

Exhibit A:
Insurance Requirements for Rental of Facilities

Renter shall procure and maintain for the duration of the rental period insurance against claims for injuries to persons or damages to property which may arise from or in connection with the rental of the facilities and the activities of the renter, his guests, agents, representatives, employees, or subcontractors.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as Insurance Services Form CG 00 01 covering CGL on an “occurrence” basis, including property damage, bodily injury and personal & advertising injury with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

If the use includes athletic activities, Renter shall provide evidence of that the CGL includes coverage for injuries to athletic participants and should also provide evidence of Participant Accident Insurance.

If the Renter maintains broader coverage and/or higher limits than the minimums shown above, the City of Stockton requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Renter. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City of Stockton.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City of Stockton, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of the rental of the facility, work or operations performed by or on behalf of the Renter including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Renter's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used). Additional insured Name of Organization shall read “City of Stockton, its officers, officials, employees, and volunteers.” Policy shall cover City of Stockton, its officers, officials, employees, and volunteers for all locations work is done under this contract.

Primary Coverage
For any claims related to this contract, the Renter’s insurance coverage shall be primary and non-contributory insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of
Stockton, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City of Stockton, its officers, officials, employees, or volunteers shall be excess of the Renter’s insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies. The City of Stockton does not accept endorsements limiting the Renter’s insurance coverage to the sole negligence of the Named Insured.

Umbrella or Excess Policy
The Renter may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true “following form” or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Renter’s primary and excess liability policies are exhausted.

Notice of Cancellation
Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City of Stockton.

Waiver of Subrogation
Renter hereby grants to City of Stockton a waiver of any right to subrogation which any insurer of said Renter may acquire against the City of Stockton by virtue of the payment of any loss under such insurance. Renter agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City of Stockton has received a waiver of subrogation endorsement from the insurer.

All certificates and endorsements are to be received and approved by the City of Stockton at least five days before Renter commences activities.
