We are currently hiring adult and youth sports officials (referees and umpires). If you are interested in employment with the City of Stockton, please scan the QR Code to apply.

For more information, e-mail us at sportsandfields@stocktonca.gov or call 209-937-5542.
Start Smart Programs, created by the National Alliance for Youth Sports, help kids get ready for youth sports. Parent-child groups perform motor skill tasks that gradually build confidence in children while they are having fun at the same time.

In this program, parents/guardians join their children on the field/court to enjoy in the fun of learning a sport together! Get ready to get up and get moving with your child in the Start Smart program.

The Stepping Stones program for kids age 5-6 is a transition from learning the basic fundamentals of sports to playing in a league.

In this program, participants will have a 20 minute practice/clinic and a 20 minute game on the same day. These games will have less people on the field/court than a normal game and will be centered around teaching/learning not competing.

To register in person, visit one of our community centers.
