

SAN JOAQUIN VALLEY - REGIONAL STAY HOME ORDER - DECEMBER 6, 2020 - 11:59 P.M.

Governor Gavin Newsom announced that all sectors other than retail and essential operations will close when Regional hospital Intensive Care Unit (ICU) bed capacity has fallen below 15% available capacity.

Regional Stay Home Order

California's Regional Stay Home Order goes into effect after a region reaches less than 15% ICU availability.

For our Region, the order goes into effect **Sunday, December 6th at 11:59 pm** as we have fallen below the threshold.

This is a targeted protective measure to help prevent spread and a strain on our healthcare systems.

If we don't act now, California will reach ICU capacity.

We are part of the San Joaquin Valley Region.
