FIELD APPLICATION PROCESS

LIABILITY / INSURANCE (see attached sample)

The Community Services Department will accept field applications from one representative per policy. If an organization is covering several teams under their policy, all teams must be named on the policy. A Certificate accompanied by an additional insured endorsement in the amount of $1,000,000 general liability is required for all reservations. The applicant will be responsible for any and all damage to the City’s premises, equipment, and property. If additional maintenance is required, in excess of normal cleaning services/time, the applicant will be charged accordingly. The applicant will be held responsible for all actions, behavior, and damages caused by his/her guests/attendees.

GENERAL RULES AND REGULATIONS

The Community Services Director or authorized representative retains the right to set rules and regulations for safe and reasonable use of parks. The City of Stockton shall regulate or prohibit such activity or use, which in his/her judgment is determined to be of a hazardous nature or dangerous or damaging to property or not in the best interests of the citizens of the City of Stockton.

Renters are to prepare, line fields, and supply their own chalk or paint and bases for use. Renter improvements to fields will be considered a donation and will not result in a reduction of fees.

Renter is required to remove trash from the park at the end of each day’s use. The City may require the renter to provide a dumpster for excessive trash. Clean up fee will be charged if trash is not removed.

Soccer Renters: Goals are to be removed after each use and cannot be stored at neighborhood parks. Goals left in parks are subject to removal and user will be charged for the removal.

Misuse of the field, failure to conform to field regulations, or any other Federal, State or Local law, regulation or ordinance shall result in termination of the contract.

Long Term field renters, other than softball/baseball, must rotate use on field areas to prevent field damage. Damage may result in additional charges and cancellation of the contract.

Renters may only use fields designated on contract, and only at designated times.

Contracts/reservations cannot be transferred, assigned, or sublet.

Vendors selling food or other items may be subject to an additional fee for the right to conduct sales on public property. Vendors must adhere to all State, County, and City health requirements. Sales of any kind must be approved in writing by the Director of Community Services Department at least 90 days prior to use. The City requires a fee paid in advance.

No amplified sound is permitted in any park without a permit.

The following are not allowed in any City of Stockton park: gambling, alcohol (not allowed at designated parks), portable lights without permission, portable barbecues, use of any chemicals on the field or turf, decorations may not be tied, stapled, etc. to plants or structures.

No vehicles are to be driven on park property. Vehicles on park property may be cited and towed.

No advertising shall be exhibited without written permission from Community Services Director.

SUPERVISION/LIGHTED FIELDS

The City may provide a staff member or a key for lighted field reservations. City staff or renter will be responsible for turning the lights on and off. Keys are provided at the discretion of the Field Rental Supervisor and are to be returned within 5 working days of the last date of use. Failure to return keys will result in denial of future requests. No rentals will be scheduled beyond 10:00 p.m. at any City park.

RESTROOMS

Some parks do not have restrooms available. If you are renting a field at one of those parks, you may need to rent portable facilities depending on the size and type of event.

RAIN DAYS / WET FIELDS

Depending on staff availability and weather, the renter may be responsible for checking field conditions before proceeding with field use.

The following criteria must be used to determine if a field is usable: If footprint leaves an impression, or if sod is removed easily with a cleat, this is considered a wet field and the renter needs to cancel use for that date in writing or by email within 5 business days.

On regular business days, staff may determine fields to be unusable and a message regarding field status will be available after 3 p.m. by calling 209-937-5606. If renter plays and damages turf despite wet field conditions, the contract will be canceled, and no refund will be granted. Renter may also be charged additional fees for damage.
FIELD APPLICATION PROCESS

FEES & CHARGES
The fees are established by the City of Stockton City Council and are reviewed on an annual basis. City staff does not have the authority to waive or reduce fees.

CANCELLATIONS / CHANGES/ REFUNDS
1. Written notification or confirmed email is required 72 hours prior to the event in order to receive a refund.
2. Rain cancellations must be submitted no later than 5 business days after a rain out date.
3. Changes to the contract must be submitted no less than 5 business days prior to the date(s) to be modified.

All deposits and payments will be forfeited if written notice is not submitted to the Community Services Department, Administration - Field Reservation Office at 1760 E. Sonora Street. Stockton, CA 95205 or submitted by email to sportsandfields@stocktonca.gov.

The City of Stockton reserves the right to cancel use of facilities and/or equipment when deemed necessary. In such cases, the City will provide a full refund or credit of all fees and deposits, and every effort will be made to notify renter at the earliest possible date.
