Stockton Memorial Civic Auditorium, North Hall

525 North Center Street, Stockton

Project and Purpose of Public Meeting

The City of Stockton Public Works Department has completed design plans for the Miner Avenue Complete Street Improvements.

The project area is in the greater downtown area along Miner Avenue between Center Street and the Union Pacific Railroad (UPRR) tracks. The project improvements include the following:

- Reducing lanes from four to two lanes and adding Class II bicycle lanes throughout the project area;
- Adding median islands with landscaping;
- A roundabout at the San Joaquin Street intersection;
- Traffic signal modifications at the signalized intersection and installation of street lights;
- Pedestrian and bicycle amenities; and
- Adding bulb-out round corners with ADA-compliant crossings and bollards.

Construction is scheduled to begin Spring of 2020.

Information about the project and other displays will be available at the Public Meeting. City of Stockton project and design team representatives will provide a short introduction of the project at 6:15 pm and will be available to answer any questions.

You are also welcome to mail your written comments and inquiries about the meeting to Public Outreach Coordinator, Miner Avenue Complete Streets Project, P.O. Box 4436, Stockton, CA 95204.

Special Accommodations

All meetings are conducted in English. A Spanish-language interpreter will be available in accordance with Title VI of the Civil Rights Act, the Americans with Disabilities Act and California Law. It is the policy of the City of Stockton to offer its public programs, services and meetings in a manner that is readily accessible to everyone, including those with limited English proficiency or disabilities. If a language interpreter is needed, you are disabled and require a copy of meeting materials in an appropriate alternative format, or if you require other accommodation, please contact Rosa Alvarez located at 22 E. Weber Avenue, 3rd Floor, Stockton, CA 95202, during normal business hours or call (209) 464-8707, at least 3 to 4 days in advance of the meeting. Advance notification within this guideline will enable the City to make reasonable arrangements to ensure accessibility.
