Section 1
Invitation to Apply

INVITATION TO APPLY

The City of Stockton has allocated up to $80,000 in Community Development Block Grant (CDBG) grant funds to provide funding to organizations (business service providers). These organizations should provide new and existing small business programs and supportive services focusing on the creation or enhancement of services for start-up businesses and entrepreneurs within the City of Stockton. This will be the fourth year that the City of Stockton has conducted a competitive bid process for the Business Entrepreneurship Program.

Business service providers interested in submitting responses should consist of organizations that provide technical assistance to entrepreneurs, start-up companies, and existing businesses. These providers can assist as a result of consulting, training, innovation, provide co-working office space, preparation assistance of business documents, financial assistance, budgeting, workshops, promoting, etc. to create economic opportunity for the business community.

Start-up businesses are defined as firms less than one-year-old employing at least one person besides the owner. Entrepreneurs, for this program, are defined as individuals who are exploring opening a new business, are still in the concept stage, or are currently operating as a start-up business, and must either be a resident of Stockton, conduct business with other businesses in Stockton, or have plans to locate to Stockton.

Home-based businesses represent many start-ups and micro businesses within Stockton. Many of these businesses are start-ups eager to grow, but are not familiar with regulations, how to move beyond a small customer base, or lack adequate funding to take the next step. Many other entrepreneurs are still in the idea and concept stage and need assistance to take the next step to begin a business. The City seeks this growing sector as an opportunity to bring new job growth throughout targeted industry sectors.

In February 2015, the City of Stockton adopted the Economic Development Strategic Plan and is currently implementing the Plan, which outlines several top priorities, goals, and objectives to strengthen the local economy. One of the core strategic objectives is a comprehensive Entrepreneurship/Innovation Program that addresses the need:

"Statement of opportunity/need:

Active entrepreneurial development programs, including initiatives to expand access to capital for growing firms, are essential components of comprehensive employment growth and cluster-development efforts.

Action Item D.1: Serve as clearinghouse for entrepreneurial support programs and resources, making clear the distinctions between “small business” development and entrepreneurial support.”

Funding allocated for this Notice of Funding Availability (NOFA) seeks to identify organizations that provide business support services for startups and entrepreneurs, and grant funds to support new and existing programs that help this specialized business sector. The areas of focus will be to:

- Provide business consulting services for entrepreneurs at idea and concept stage;
• Provide business services and technical assistance to new start-ups;
• Provide business services and technical assistance to existing home-based businesses;
• Provide outreach and link eligible entrepreneurs to capital financing;
• Create new or enhance existing business programs for targeted industry clusters; and
• Link workforce development programs with start-up businesses.

**Selection Process**

The selection process for applications reviewed will consist of a committee comprised of City of Stockton and business community representatives that will score applications based on content, need, and feasibility. The committee will make recommendations for funding, and all applicants will be notified in writing.
Section 2
Eligibility and Required Information

ELIGIBILITY AND REQUIRED INFORMATION

- Must be a business service provider or organization that provides technical assistance and support to start-up businesses and entrepreneurs;
- The business service provider must hold a valid Business License with the City of Stockton. All program beneficiaries that are conducting business must also obtain a valid business license; and
- The proposal must meet one of the U.S. Department of Housing and Urban Development’s federal objectives (below):

One of the following Federal objectives must be fulfilled under HUD’s guidelines:

- Provide benefit to low and moderate-income persons (self-certification forms must be submitted quarterly);
- Eliminate and prevent slums and blighting elements; or
- Meet a particularly urgent community need (defined as providing disaster relief from flooding, earthquakes, etc.).

In addition to the federally mandated eligibility criteria, the Stockton City Council has adopted local objectives for CDBG funds that support the City’s approved goals and objectives as outlined in the Five-Year Consolidated Plan.

Proposals should meet one of the following City of Stockton’s local objectives:

1. Assist economic development through the support of activities which provide job retention or creation;
2. Provide assistance to public improvements and facilities that support Objective 1;
3. Support programs offering significant community benefit, which improve the quality of life for residents of Stockton; or
4. Support projects and programs which utilize “green” technology and support Objective 1.

Program beneficiaries must be principally low or moderate-income individuals
This is defined as individuals with incomes at, or below, 80% of the median family income for the Stockton Metropolitan Statistical Area. Current limits for 2018 are:

REPORTING REQUIREMENTS

All award recipients will be required to execute a grant agreement. In the agreement, organizations who receive funding for projects will be required to submit quarterly reports as determined by the City. At the completion of the program, a final report will be required, as determined by the City. In addition, Self-Certification forms must be completed by individuals served (program beneficiaries) and submitted with the required quarterly reports by the provided deadline. Additional income documentation verifying program beneficiaries’ low-income levels, such as pay stubs, bank statements, and/or income tax returns must be collected by the award recipient to certify they meet the low-income threshold. The income documentation should be filled by the award recipient and kept confidential in the case of HUD monitoring purposes. The City will provide a template for each of these reporting requirements.
CDBG programs are subject to numerous Federal and local requirements, some of which are listed below. Additional requirements can be found in the CDBG regulations on HUD’s website at [www.hud.gov](http://www.hud.gov); OMB Circular A-110, A-122, and A-133; and the City of Stockton’s Guide to Affirmative Action for Federally-funded projects. We encourage applicants to familiarize themselves with these requirements to ensure that their organization has adequate administrative systems in place.

- **Timeliness**: Federal guidelines require that these funds be spent promptly. Funded projects will need to be underway and generating expenditures within twelve (12) months of execution of an agreement with the City; otherwise, funds may be de-obligated.

- **Program Income**: Funds generated as a result of CDBG funding must be reported and are subject to HUD regulations.

- **Audits**: Depending on the type of project or activity to be funded, an audit performed in accordance with Governmental Auditing Standards may be required. For additional information, visit [http://www.whitehouse.gov/omb/circulars/index.html](http://www.whitehouse.gov/omb/circulars/index.html).

- **Accessibility**: Programs, services, and projects must be accessible to persons with disabilities. Access can be achieved in many cases without having to alter the existing facility.

- **Prevailing Wages**: Capital (building/construction) projects may trigger prevailing wages under the Federal Davis-Bacon Act and State SB 975. This generally increases the project cost by approximately 30 percent.

- **Lead-Based Paint**: Rehabilitation activities must comply with the latest revisions of the Lead-Based Paint Poisoning Act and Residential Lead-Based Paint Hazard Reduction Act.

- **Environmental Review and Historic Preservation**: Environmental review and historic preservation clearance must be completed before funds can be committed.

- **Ineligible Reimbursements**: Costs incurred and funds expended prior to execution of the grant agreement are not reimbursable. All reimbursement requests will be reviewed at the time of submission to determine eligibility.

- **Affirmative Action**: Organizations must demonstrate efforts to utilize minority and women-owned businesses and to hire low- and very low-income individuals and contract with companies who hire them in contracting for services.

- **Relocation**: Activities that temporarily or permanently displace residents or businesses are subject to Uniform Relocation Act regulations, which require monetary benefits be paid to those displaced. For additional information, visit [www.hud.gov/offices/cpd/library/relocation/index.cfm](http://www.hud.gov/offices/cpd/library/relocation/index.cfm).

- **Insurance**: The City requires all entities receiving funding to provide proof of insurance. Specific information on types and limits can be found on the City’s website at [http://www.stocktongov.com/business/riskmanagement.cfm](http://www.stocktongov.com/business/riskmanagement.cfm) or by contacting Risk Management at (209) 937-8629.
APPLICATION SUBMITTAL INSTRUCTIONS

- Submit and complete one application for each activity. Forms should be typed.

- Return one (1) original unbound application and two (2) copies along with all required attachments. Please do not include copies of the instructions with your application; just the application form (starting on page 12) should be submitted.

- Submit application(s) by Thursday, April 4th, 2019, before 5:00 p.m. Applications must be returned in hard copy format with original signatures.

- Applications with supporting documentation will be accepted as hand delivered or mailed to the address below. Applications received after the deadline, regardless of postmarked date, will not be accepted. You may send your packet of documents to:
  
  City of Stockton  
  Economic Development Department  
  Attn: Business Entrepreneurship Program  
  400 East Main Street, 4th Floor  
  Stockton, CA 95202

- Submit the following items with each application. Incomplete applications will not be considered for funding.

  1. Project Budget – A copy of the project budget (separate from the operational budget) showing all funding sources and uses. Identify specific items that City funds would pay for if approved. A sample budget is included on page 10.

  2. Operational Budgets – A copy of the organization’s operational budget for the current fiscal year and proposed budget for the 2019-2020 fiscal year.

  3. Financial Statements (as applicable) – Please submit:

    a. For all organizations, a financial report: a compilation report, or the organization’s bookkeeping records in the form outlined above (Balance Sheet, etc.), for the most recent year.

  4. Tax Status – If the organization has a 501(c)(3) status, submit one of the following verifying documents:

    a. A determination letter from the U. S. Internal Revenue Service, confirming 501(c)(3) Tax-exempt status of organization

    b. A letter from the California State Franchise Tax Board certifying tax-exempt status of organization.

  5. Board of Directors Roster – A current roster of the organization’s officers and members of its Board of Directors, which includes their name, the position held, address, telephone number, and current employers.
6. Business License/Use Permit/State License (as applicable) – For first time applicants, new projects, or expansion of existing facilities.

All applicants will be notified in writing of funding recommendations by May 17, 2019. Refer to the Estimated Funding Schedule for more information.

For additional information, please contact the City of Stockton Economic Development Department, 400 East Main Street, 4th Floor, Stockton, California, 95202, or call (209) 937-8539.
HELPFUL HINTS

The following may help your application to be more competitive. Please remember that due to limited resources, submitting an application does not guarantee that it will be funded.

**Answer all questions completely.** Include as much information as possible (such as cost estimates and all predevelopment activities completed to date).

**Submit the application before the deadline.**

**Applications must be typed.** Applications are read and reviewed by the Economic Development Department. If additional space is needed, please attach additional pages. This application is available on the City’s website at [www.stocktonca.gov/econDev](http://www.stocktonca.gov/econDev), via email at Nicole.Snyder@stocktonca.gov, or by calling (209) 937-8539.

**Davis-Bacon.** Please note all federally funded construction projects are subject to Davis-Bacon prevailing wage requirements. For further information about Davis-Bacon wages call 209-937-8539.

**Leveraging funds.** Budgets should reflect all sources of leveraged financial sources of funds. The availability of other resources in the community is foremost in the City’s mind when evaluating applications. We suggest applicants be aware of and pursue other larger funding resources, if/when applicable.

**Funds must be used by June 30, 2020.** Given the federal timeliness requirements in the use of funds, the City will only recommend funding of projects that are ready to begin operation and can complete the project within twelve months of executing a grant agreement. Organizations should be able to demonstrate in their application that all other funding sources have been leveraged/secured and the project/program is ready to move forward.

**Payments against allocated funds** are administered on a reimbursement basis. Any costs incurred before the execution of contractual agreements with the City of Stockton cannot be paid per Federal Regulations of these funds.

**Attachments.** Remember to include all the required attachments (financial statements/budgets, rosters, tax status, etc.).

**Letters.** Letters of recommendation or endorsement are not required.

**DUNS Numbers.** DUNS numbers are required for each organization that receives federal funding. Numbers may be obtained at [http://fedgov.dnb.com/webform](http://fedgov.dnb.com/webform)
