I hereby affirm that I am exempt from the Contractor's License Law (following reason Sec. 7031.5) Business and Professions Code. Any city or county in which the work is to be conducted shall, where required by law, pass all necessary ordinances, regulations, or laws which in its judgment shall be necessary to enjoin against violation of the provision of this Code. ☐ I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044). The Contractor's License Law does not apply to an owner of property who builds or improves thereon, and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.

☐ I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044). Business and Professions Code.
