

Notice of Upcoming Sidewalk, Curb and Gutter Repair Program

This Notice is an advisory to residents and businesses that work will be performed on the curb, gutter, and/or sidewalk fronting your property. This project is part of the City of Stockton Public Works Department - Sidewalk, Curb and Gutter Repair Program FY 2019-20 (SB1).

DRIVEWAY ACCESS

During construction, driveway access will be maintained using steel plates.

PARKING

- NO PARKING signs on barricades will be placed at least 72-hours prior to the start of construction.
- Parking is not allowed at locations in or near construction areas.
- Construction days are posted on barricade signage.
- Vehicles may be towed out of the construction area, if not removed prior to start of work.

SIDEWALKS

Sidewalks in the construction area will be closed. Expect and prepare for delays at these locations.

EMERGENCY SERVICES

If you need emergency assistance from fire, medical, or law enforcement, call 9-1-1. Emergency vehicles will ALWAYS be provided access.

Work will occur **Monday – Friday from 8:30am to 4:30pm:**

From: _____

To: _____

Area residents and businesses will be notified of any schedule changes.
