City Offices to Open During Lunch Hour

(Stockton, CA) – City of Stockton offices will be open during the lunch hour, noon to 1p, beginning Monday, April 18, 2011.

"Adjusting schedules to remain open during the traditional lunch hour is better service to our customers and increases access to City offices and services by over 200 hours a year," said Councilmember Dale Fritchen, an advocate for customer service.

The City of Stockton adopted an alternate work schedule in 2010. City offices are open extended hours Monday through Thursday, and City offices are closed every other Friday, furlough days and holidays.

"With fewer resources, there are services that we are no longer able to provide," continued Fritchen, "but this is absolutely something that we can do for our customers."

A City Calendar is available on the City of Stockton web site at www.stocktongov.com under the Events heading. An Hours of Service link is provided on each Department web page. For additional information, please call (209) 937-8827.
